Publisher: www.fanfiction.net
Summary: Renamon and Rika's perspective of their first meet with Takato(mon) and Guilmon

Renamon is watching

I do not own anything in this story
>I dislike made up stories about charecters (by whitch I mean fanfics) because in my opinion they make fun of the charectors
however after seeing if others shared my ideas about charecters i realized like tv and videogames may be windows too other dimensions
>(ever put your finger hard enough on a computer it gives kind of a portal effect) (like the entrance to hazy mazy cave in super mario64 and ds remake)
fanfics may be paralell diminsions to those said diminsions so please if you write a fanfic dont do anything too drastic. if you cant find any of my stories then they have been deleted but don't worry it most likely means its being updated.(because i have to use notepad)

Renamon is watching

It was a normal day in Shinjuku park, well almost normal.
>At the far edge of the park there were two kids one was a boy with yellow goggles and the other was a girl with spiky red hair.
The two were watching as a red dinosaur and a humanlike fox were fighting, the boy terrified while the girl watched with intentions of winning.

Rika: (looking at her digivice) What is wrong with this stupid thing? There's no data on this guy at all?

Renamon: Diamond Storm!

White diamonds fire at the red dino causing a blast of smoke to form.

>When the smoke clears, the red dino who had taken the attack head on

appears to not even recieved a scratch.<p>

Renamon: (with intrest and slight attaraction) Who is this digimon.

Guilmon: Pyro Sphere!

The red dino fires a glowing ball of flame at the fox doing serious damage.

Renamon:'I've never seen such power.'

Takato(mon):Guilmon! You have to listen to me!

The red dino then snaps out of 'battle mode' and heads too his tamer.

Guilmon: I wasn't listening? I'm sorry Takatomon.

Renamon now seeing her chance attacks.

Renamon: Diamond Storm!

?: Terrier Tornado!

Suddenly a green whirlwind blocks the attack as a blue haired boy shows up.

The green whirlwind fades revealing a little rabbit.

Terriermon: Let me at em Henry! Let me at em!

Henry: No! You know what I've told you about fighting!

Rika: Don't bother Renamon, it'd just be a waste of time and data.

Renamon: As you wish, Rika.

The girl and the fox leave.

Terriermon: Momontai.

At Rika's.

Renamon: Why can't I stop thinking about that cute dino? Wait, CUTE, What?

Renamon blushes realizing she may have fallen for the enemy.

Rika: Renamon are you feeling alright?

Renamon: Yeah, I was just thinking.

Rika: About what?

Renamon: About that red dino, what that boy call him Guilmon?

Rika: Why are you thinking about him?

Renamon: Well if it's okay with you I'd like to let this one live.

Rika: You're not going soft on me, are you Renamon?

Renamon: Don't be ridiculous! It's just that, Out of all the digimon we've faced, I've never seen one with so much power. My Diamond Storm didn't even have any effect, and that Pyro Sphere, If I wasn't at my current level from all that training, I could've been deleted.

Rika: That's why you need to absorb his data!

Renamon: Yes, but I'm curious as to just how much power this guy has, judging by the way he was fighting, I'd say that was their first battle.

Rika:...

Renamon: (blushing) I mean don't get me wrong, I still want to fight him, but if we get in a tough spot they could prove to be a formidable ally, not that we'd need it.

Rika: Very well, I'll start working on a strategy for our next battle.

Renamon: I'll go scope out this mystery digimon, see what I can find out.

Renamon vanishes and appears in a tree by Guilmon's hut, close enough to spy on him but not close enough for him to sniff her out.

The rest of the day a love striken Renamon watches her prey with puppy dog eyes.

Back at Rika's.

Rika: So what did you learn?

Renamon: Nothing much, except that the idiot loves bread and chasing squirrles.

Rika: Are you sure this guy has true potential, I mean are you really sure you just don't want to delete the idiot?

Renamon: I'm sure.

End
file.
